Business Manager's Message | Valentino B. Ceria

UA General President Mark McManus joins the "Class of 2019" Business Managers at the UA Seminar in Maryland. Business Manager Val Ceria with the shaka.

Aloha Members!

We welcome aboard **KT Construction LLC**. The company is now recognized as a Local 675 signatory contractor.

Just a brief update on our new Union Building in Aiea. So far, we have received the design and development prints and will have future meetings to prepare for the permitting process.

A reminder, if you become unemployed as an active member, you will need to sign in on the **Out-Of-Work List** and turn in your approved unemployment determination letter information to the **Trust Fund Administrative Office**. This benefit was created so you can qualify for **35 hours credit** to maintain your **medical coverage**. No other union has this unique benefit for its members.

On Sunday, September 1st, we had our annual Hawaii Building & Construction Trades Labor Unity Picnic at the Waikiki Shell. It was a huge success, and we had a lot of members and their families in attendance enjoying this free event. Mahalo to Brother **Sam Barrett, Jr.** who spearheaded Local 675's participation with assistance from our Union staff, Training staff, Brother **Jonathan Lee**, and the Retiree Club.

Politically, we're gearing up for the General Election on November 5th. I am working closely with our

Government Relations and Legislative Liaison, **Emmanuel Zibakalam**, and have the Union's endorsements listed in this newsletter. Please vote and have your voices heard. It's so important for the industry and for our future.

Locally, for the Union's upcoming election, we were approved for mail-in ballots for our local union by UA President **Mark McManus**. All positions are up for election this year, for three-year terms.

I recently attended a UA Local 811 Open House Union Meeting with Business Agents, **Matt Brady, Ben Panis, Sam Barrett, Jr.** and **Sheung Man Wong**. We met with the UA's General Secretary-Treasurer **Derrick Kualapai**, California & Hawaii International Representative **Aaron Stockwell**, and UA Metal Trades Director **Patrick Dolan**. The emphasis was on the benefits of joining Local Union 811 and what the United Association offers its members. There will be future meetings scheduled down the road.

This month, I also attended the UA Business Manager Seminar in Maryland. This is an annual meeting where all the Business Managers from each local union meet with the General President, officers, and staff to be informed of our direction and our united efforts to carry forth the objectives of the United Association.

Invitations have been mailed to all members for the Membership Benefits Conference on Oahu this year, at the Hilton Hawaiian Village on Saturday, October 19th. This is a free event for you and your family to learn about your Union benefits, ask specific questions one-on-one with a provider, and enjoy free lunch, entertainment, gifts, and fun games for the kids. We hope to see you all there!

The Oahu General Membership Meeting and Holiday Dinner is set for Saturday, December 14th. The Holiday Dinner celebrations for our Neighbor Island membership are scheduled for Kauai on December 3rd, Maui on December 4th, Kona on December 10th and Hilo on December 11th. Looking forward to meeting with you and wishing you all good wishes for the new year!

As always, stay informed, stay healthy, and be safe!

UA Local 811 Open House (l-r) Sheung Man Wong, Ben Panis, Matt Brady, Val Ceria, Patrick Dolan, Derrick Kualapai, Aaron Stockwell, Sean Keoni Ellis, Sam Barrett Jr, Dale Troll.

Urgent Care

Save time and money by choosing the right care options. Emergency room visits are expensive and should only be used when you have life-threatening symptoms. There is a 10% coinsurance (amount you will need to pay out-of-pocket) that applies for each visit and emergency room visits charge the highest fee. The following are the care options available to you:

- **Primary Care Provider** – See your primary care provider (PCP) for routine and common medical issues like fever, minor symptoms of the flu or a cold, chronic condition management, medication refills or general care.
- **Urgent Care Providers** – Go to an **urgent care provider** when you need care in person sooner than you can see your doctor. **Urgent care** is a more cost-effective option for situations that aren't emergencies but still require medical care.
- **Emergency Room** – Go to the emergency room when you have serious, life-threatening symptoms.

Please contact our Trust Fund office at (808) 536-4408 if you have further inquiries.

Labor Day Unity Picnic

The annual Labor Unity Picnic kicked off the Labor Day Weekend at the Waikiki Shell in celebration of our local working Ohana. Local 675, along with other fellow Unions, celebrated the members and their families with live music from local entertainers such as 'Nesian Nine' and 'Ten Feet'. Ono food was enjoyed from multiple eateries such as 'Sugoi's', and there were continuous giveaways and door prizes throughout the night. Good times were shared, and families enjoyed games for the keiki, prizes, and treats.

Business Manager, **Val Ceria** noted, "It's gratifying to have the Unions come together and to be able to hold this event for our members and their families. We had a great turnout this year, and we hope to continue to make this an event to look forward to."

There was also the opportunity for our elected political leaders to visit and meet one-on-one with the local unions and their members. Mayor **Rick Blangiardi** was among one of our leaders, who came by in support.

The Local 675 tent served Samurai Ice Cake and Ju Mui treats – a cooling treat for members and families. Training staff set up a fun 'Toilet Toss' game to play, complete with cool prizes to win.
